Prefinished Wood Veneered Panels

SINCE 1999

One of the World's Most Influential Enterprise in Wood Industry
Always adhere to the positioning of high-quality products

DEVELOPMENT HISTORY

1999

The company was officially established.

2001

The registered trademark of "Tongli" was officially approved by the state.

2003

Invested 25 million yuan to establish a Shandong branch.

2007

Invested 20 million yuan to add production workshops for blockboard and plywood.

2000

The patented design of the outer packaging was protected by national intellectual property rights.

2002

Awarded the title of "Dongguan Houjie Enthusiastic Donation of Learning Talents Unit" and awarded the Gold Award Certificate at the Hong Kong World Chinese New Technology and Products Expo.

2005

Awarded the China Environmental Labeling Product Certificate.

2010

Established a flagship store in Houjie and promoted the brand chain business model.

2012

Attempted reform and innovation, introduced professional management teams.

2014

Newly added thick veneer workshop and won honorary certificates such as Guangdong Famous Brand and Chinese Famous Trademark.

2017

Invested 1.5 million yuan to add a UV coating production line and enhanced the comprehensive competitiveness of the enterprise.

2020

Implemented a major customer development strategy, and transformed the customer structure into channel customers such as real estate decoration, door factories, and high-end customization.

2013

Deepened the reform and completed the incentive mechanism for the company's share reform.

2016

Its national factory headquarter was set up and a brand development strategy was implemented.

2019

A showroom in Oriental Xingye City was opened, upgrading and promoting customized finished products.

2024

Adjust the company's competitive strategy and spend 2.5 million RMB to upgrade two UV coating production lines, greatly improving product quality and production efficiency, and enhancing the company's comprehensive competitiveness

Plant area with 18000sqm

about 110 employees

Monthly production with over 100,000 panels

Source Factory

Manufacturer's supply without intermediaries

Rich Experience

Deeply cultivated in the industry for many years

Quality Assurance

Professional certification makes buying reassuring

Sufficient Supply

Stable cross-border exclusive supply of goods

Support Customization

Customized according to different needs

Authoritative Certification

Quality Assurance is Trustworthy

We have a **comprehensive** board customization system and the ability to quickly supply products.

Lean production system, advanced and complete production equipment, standardized operation mode, loyal and professional team, exquisite craftsmanship, and stable supply capacity.
